

## Athletes Whereabouts Forms Instructions

### Why do I have to fill out this whereabouts form?

Out of competition testing (OOCT) can occur at any time and at any place (i.e. both in your own country and overseas). WAKO makes every effort to ensure that testing is not inconvenient for the person being tested and for that reason prefers to carry OOCT either at a person's home or training venue.

A significant cost is incurred for every failed attempt to locate a person on the basis of the information provided in the whereabouts form. You are, therefore, asked to ensure that the WAKO is kept fully up to date of all relevant information regarding your whereabouts.
